The Minutes of the last Annual General Meeting were taken as read and signed by the Chairman.

The Honorary Secretary read the Report of the Board of Management.

## REPORT OF THE BOARD OF MANAGEMENT TO THE ANNUAL MEETING.

The Board of Management have much pleasure in presenting their Seventy-Second Annual Report on the work of the Hospital for the year 1940.

It is with great regret the Board have to report the death of Mr. H. Bell Tawse, Aural Surgeon, who rendered valuable service to the Hospital for twenty-nine years. His passing is a great loss.

It will have been observed from the Accounts, which were sent out with the Notice calling the Meeting, that, in spite of the difficulties of the present time, it has been possible to show an excess of Income over Expenditure of £245 1s. 10d., as compared with a deficit of £465 in the previous year.

The total Income received during the year amounts to £18,098, and shews an increase of £2,290 as compared with £15,808 received in 1939. This increase is mainly due to the contributions received from the Nottingham & Notts. Hospital Saturday Contributory Fund and an anonymous donation of £3,000, which the Board gratefully acknowledge.

The Expenditure for the year reached the record total of £17,854, and shows an increase of £1,600 as compared with last year. Included in this sum is expenditure on Air Raid Precautions amounting to £697 16s. 2d.

In referring to the increase in the Expenditure, however, the Board desire to point out that owing to an arrangement entered into with the Nottingham General Hospital to take over during the war the cases usually treated in the Children's Ward at that Hospital, a considerable increase in the number of Out-Patients and In-Patients has taken place as compared with previous years. The Board have pleasure in reporting that, in spite of the considerable increase in Expenditure, the Costs per patient treated shew a decrease as compared with 1939.

It is noted with regret that the amount received under the heading of Voluntary Gifts shews a marked decline, and the Board particularly appeals to supporters of the Hospital for annual subscriptions, which, as compared with 1939, shewed a reduction of £320.

The City of Nottingham Head Teachers Association has done splendid work on behalf of the Hospital, which has

resulted in the sum of £440 being raised. This is an increase of £38 over the previous year, and the Board tender their grateful thanks to the Members of the Association and the children of the Schools.

In spite of increasing difficulties, the members and officials of the Nottingham & Notts. Children's Hospital Cot and Free Medicine Fund have collected the sum of £1,076. Although this amount is £124 less than the sum contributed the previous year the Board are most grateful for the efforts that have been made and would like to convey to all concerned an expression of their warmest thanks and appreciation. The sum collected has been allocated as follows:—

	£	s.	d.
Support of Cots 1, 2 and 3 ...	150	0	0
Grant for Free Medicine Fund ...	200	0	0
Grant for providing Children's Clothing	10	0	0
Special Grant for providing Children's Clothing ... ..	16	0	0
Special Grant for Free Medicine Fund	700	0	0
	<hr/>		
	£1,076	0	0
	<hr/>		

It is with regret the Board have to announce that Mr. J. Bosworth, who for many years had acted as Assistant Secretary to the Hospital, had asked to be relieved of his duties owing to failing health. They wish to place on record their gratitude for all the splendid work that he did for the Hospital, especially in connection with the Cot Fund, and they are happy to report that he will continue his interest in the organisation of that Fund.

The Ladies' Committee have worked tremendously hard during the year, and in spite of the many restrictions, have raised the sum of £162 0s. 6d. through the Pound Day Collections. This is an increase of £38 as compared with their contributions of 1939. The Board desires to express to the Members and their Chairman, Miss E. Bright, their very sincere thanks.

To Miss Willoughby and all the members of the Ladies' Working Party the Board offer their gratitude, not only for their contribution of £21 5s. 6d., but also for the large number of garments which have been made for the use of the little patients.

The following donations for 1940 call for special mention and are gratefully acknowledged:—

The Collections received from the Clergy and Congregations of the Churches and Chapels, amounting to £64 1s. 1d. (which is an increase of £12 as compared with the amount received last year) are gratefully acknowledged.

The Board desire to congratulate the Committee and members of the Nottingham & Notts. Hospital Saturday Contributory Fund for their wonderful efforts on behalf of the Voluntary Hospitals in this City, and the splendid success they have achieved. During the year under review our Hospital has received a total sum of £5,362 6s. 2d. through the good offices of this Fund. Of this sum £4,863 9s. 10d. was received in respect of services rendered by the Hospital to the children of members of the Fund, and £498 16s. 4d.

in respect of treatment afforded to children of members of other Contributory Schemes under the reciprocal arrangements.

The Board gratefully acknowledges the receipt of the following Legacies:—

The Board desire to thank Messrs. Hubbart, Durose & Pain for their generosity in acting as Honorary Auditors.

The Board also desire to record appreciation of the help given by the Honorary Chaplain, the Rev. R. Deaville, and his colleague, the Rev. J. R. J. Kerruish, to the members of the staff and the patients, and would ask them to accept their sincere thanks.

The Annual Prize Giving to the Nurses was held on the 12th March 1941, when the Margaret Jenny Player Medal and Certificates for Nursing Proficiency were presented by Miss Kenyon, Matron of the Derbyshire Royal Infirmary. The prizes for the various examinations were given by the Honorary Staff. The Matron and the Nurses tender their thanks to all concerned.

To the Honorary Medical Staff, the Honorary Dental Surgeon, the Resident Medical Staff, the Matron, and all the members of the nursing and administrative staff, the Board offer their most grateful thanks for the splendid service they have rendered.

To conclude, the Board desire to express their grateful thanks to all those who have in any way helped in the work being done by this Hospital. During this world war it behoves the nation to conserve in every way the lives of the small children who will in due course form the manhood of our country, and therefore we appeal once more for whole-hearted support in the splendid work being carried out by this Institution in tending the sick and ailing children of the City and County.

## MEDICAL REPORT AND STATISTICS FOR 1940.

The Medical Report as follows was read by Mr. J. Llewellyn Davies:—

During 1940, 1,405 cases were admitted to the Hospital, which was an increase of 182 over the previous year when there were 1,223 cases. There were 467 major operations on In-Patients, 61 cases of infectious diseases, and 119 deaths during the year.

In the Out-Patients' Department there were 39,321 total attendances made up as follows:—

In moving the adoption of the Reports, Mrs. J. N. Derbyshire expressed her admiration of the work done by the Board of Management on behalf of the Hospital and of their efforts in securing the interest of various bodies of people, amongst whom were the City of Nottingham Head Teachers Association, the Nottingham & Notts. Children's Hospital Cot and Free Medicine Fund, the Ladies' Committee (led by Miss Bright), Miss Willoughby's Working Party, the clergy and congregations of the various churches and chapels, and the members of that wonderful association, the Nottingham & Notts. Hospital Saturday Contributory Fund. This great circle of friends must, undoubtedly, influence a large number of people.

Mrs. Derbyshire then went on to say how pleased she was to observe that during the past year the income of the Hospital had exceeded the expenditure incurred, and she hoped this would continue in future years. This position was, no doubt, due to the success of the Contributory Scheme, which, in effect, was an insurance policy for the welfare of the contributors.

Mrs. Derbyshire referred with regret to Mr. Bosworth's ill health, and spoke with appreciation of the work he had done in connection with the Cot Fund.

In speaking of the additional beds which had been taken over from the General Hospital for the duration of the war, Mrs. Derbyshire said she would like to compliment all those concerned in carrying out this additional service on behalf of the sick and ailing children of the City and County.

In seconding the adoption of the Financial and Medical Reports, the Lord Mayor said that he, too, was delighted that the past year had been so successful from a financial point of view.

He referred with admiration to the splendid work done by the Hospital, which had a very fine reputation. It was a great credit to the Matron, Doctors, and Nurses, and he desired to compliment everyone concerned in the results achieved. The Lord Mayor also felt that the Hospital was deeply indebted to all those people who spent their leisure time assisting in this great work. It was very much appreciated.

In supporting the adoption of the Reports, Mr. J. D. Player said he desired to express on behalf of the Board their appreciation of the fine work which had been done by the Matron, Assistant Matron, and the staff. It had been a most difficult year for the Hospital, and since undertaking the care of the children who had previously been treated at the General Hospital the wards had been fully occupied and the Out-Patient Department had very considerably increased. This had, needless to say, caused an additional strain on the Honorary Medical Staff, Resident Doctors and Nurses, etc., but all had given of their best.

Mr. Player then referred to the splendid work done by Mr. Thornton Simpson as President of the Nottingham & Notts. Hospital Saturday Contributory Fund. He wished to thank Mr. Simpson and his Committee for their untiring efforts which had led to the marvellous results obtained. The Hospital had received more than £5,000, which had been of very great assistance, and he would like Mr. Simpson to convey to his Committee the Board's appreciation of their fine work.

Mr. Player spoke appreciatively of the work done by Mr. F. Pragnell in his capacity of Honorary Secretary of the Hospital, for which he was extremely grateful.

He referred, also, to Mr. R. G. Law's activities on behalf of the Hospital in connection with the various Government requirements, such as Air Raid Precautions, Fire Watching, Black-Out, etc. He ventured to think that Mr. Law had saved the Hospital a considerable sum of money through his services.

In conclusion, Mr. Player said he had received a letter from Mrs. J. N. Derbyshire, the President of the Hospital, in which she informed him that she and Mr. Derbyshire had decided to endow a Cot as a memento of her year as President. The Cot would be named after Mrs. Derbyshire, and Mr. Player asked her to accept the very sincere gratitude of the Hospital for this generous gift.

The Reports were then unanimously adopted.

Mr. V. Gunn said it gave him much pleasure to propose a Vote of Thanks to the Board of Management, the Trustees, the Honorary Medical Staff, the Honorary Dental Surgeon, the Honorary Chaplain, the Honorary Treasurer, the Honorary Secretary, the Honorary Auditors, and the Election Committee for their services during the past year. This was seconded by Mrs. McIntosh.

Mr. J. D. Player said that he had after much thought and some diffidence ventured to ask the Marchioness of Titchfield to act as President for the coming year, though he felt that her many war-time activities might prevent her from acceding to his request. To his great delight, however, Lady Titchfield had accepted the invitation, and he now had much pleasure in proposing her as President for the ensuing year. In seconding this motion Lt.-Col. N. G. Pearson said that he, himself, had been President of the Hospital for one year, which position he had thoroughly enjoyed holding, and he felt sure Lady Titchfield would equally enjoy her year of office.

The re-election of the following Vice-Presidents was proposed by Miss E. Bright, and seconded by Mr. R. G. Law.

His Grace the Duke of Portland, K.G., G.C.V.O.

Her Grace the Duchess of Portland.

Lt.-Col. N. G. Pearson, D.S.O., M.C.

Mrs. J. D. Player.

Before proposing the re-election of the Board of Management, Mr. Thornton Simpson said he would like to congratulate the Hospital upon their selection of Presidents. He felt that in the past the Hospital had been most fortunate in this regard. The out-going President, Mrs. J. N. Derbyshire, had carried out her year of office not only efficiently but with charm and dignity, and the in-coming President, Lady Titchfield, would undoubtedly be equally successful during the coming year.

Mr. Thornton Simpson then went on to say how much he appreciated the remarks made earlier in the meeting concerning the Nottingham & Notts. Hospital Saturday Con-

tributory Fund. He would have considerable pleasure in conveying the purport of these remarks to those who had so loyally supported him in establishing the Fund—a Fund which he thought, was going to be the solution of that “bug-bear” of Voluntary Hospitals, the difficulty of making both ends meet.

In proposing the re-election of the Board of Management as under, Mr. Thornton Simpson said he felt that such a list of names comprised a galaxy of talent which ensured that the affairs of the Hospital would continue to be maintained in the most efficient manner.

C. A. Hingston, Esq.	J. D. Player, Esq., D.L., J.P.
C. W. Hind, Esq.	F. Pragnell, Esq.

This motion was seconded by Miss Russell and carried unanimously.

On the proposition of Mr. H. D. Bright, seconded by Mrs. Osborne, the following officers were re-elected for the year.

HON. TREASURER.	Mr. J. F. Young.
HON. AUDITORS.	Messrs. Hubbart, Durose & Pain.

In proposing the re-election of the Ladies' Committee as under, and a hearty vote of thanks for their efforts during the past year, Lt.-Col. Clifton said he would like to pay a tribute to the work being done by the women of England, an example of which was shewn by Mrs. Derbyshire in her capacity as President for the past year, and by the outstanding work of the Ladies' Committee.

Miss Eveline Bright.	Mrs. J. D. Player.
Mrs. Philip Barber.	Mrs. H. C. Roe
Mrs. H. L. Birkin.	Miss Russell.
Miss Edge.	Mrs. Seely.
Mrs. C. A. Hingston.	Mrs. R. A. Shipstone.
Mrs. G. J. Mackness.	

This resolution was seconded by Mr. J. F. Young and carried unanimously.

In proposing a vote of thanks to Mrs. J. N. Derbyshire, Mr. J. A. Player said he was glad to have been afforded an opportunity of thanking the Chairman, not only for the kindly and gracious way in which she had taken the Chair

that afternoon, but for the interest she had taken in this Institution during her term of office, an expression of which had been seen at the meeting in that Mr. and Mrs. Derbyshire had very kindly endowed a Cot at the Hospital. As a member of the Board of Management, he desired to tender their very sincere gratitude for this gift and for presiding at the Annual Meeting.

Mr. F. Pragnell said he would very much like to share in this resolution, as from an inside point of view he knew what a real interest Mrs. Derbyshire had taken in the Hospital during the past year. She had always been willing to help in every way possible and no trouble had been too much for her. In speaking of Mrs. Derbyshire's decision to endow a Cot, Mr. Pragnell said that this very gracious gesture made it clear that her interest in the Hospital was both deep and sincere. He asked the meeting to support this resolution with the acclamation it deserved. Mr. Player then put the resolution to the meeting and it was unanimously carried.

The meeting concluded with Mrs. Derbyshire's acknowledgement of the vote of thanks accorded to her.

# The Nottingham Children's Hospital Working Society.

(Established 1901.)

*FOR PROVIDING CLOTHING FOR THE PATIENTS.*

---

IT is the custom in the Children's Hospital when a patient is admitted to set aside all clothes in which the child arrives, and as long as the child remains in the ward it is clothed entirely at the expense of the Hospital.

Hitherto no provision has been made for procuring a regular supply of clothing, but the Hospital has been dependent on the occasional gifts of friends. This system is found to be entirely inadequate to meet the demand, as a proper stock of clothing cannot be depended on.

The garments chiefly required are :—

Flannel Vests (white).

Flannel and Twilled Calico Night Clothing.

Pinafores.

Socks and Stockings.

Knitted Vests. Small White Flannel Jackets.

Socks, &c., for Infants.

Suits for Boys up to 14 years of age, and Frocks  
for Girls of the same age.

Cast-off Clothing is also acceptable.

Patterns of Garments, and all other information, can be obtained from the Hon. Secretary—

MISS WILLOUGHBY,

THE COTTAGE,

WILFORD, NOTTINGHAM.

## RULES

### FOR THE NOTTINGHAM CHILDREN'S HOSPITAL WORKING SOCIETY

1.—Each Member shall supply not less than two garments yearly, or if preferred, subscribe 5/- and shall endeavour to induce friends to assist in the same manner.

2.—Each Member shall collect the garments made by her friends, and shall send them, with her own, on or before the 1st November, addressed to the Secretary, with name of sender on each garment.

3.—Each parcel should be labelled " Nottingham Children's Hospital Working Society "

Flannel and Calico for nightgowns can be obtained at special prices from Messrs. Griffin & Spalding, Long Row, Nottingham.

Subscriptions are expended in providing articles which cannot be made by the Members.

---

*New Members are always required, and will be  
made heartily welcome.*

---

Kindly send in your name to be a helper, or a  
Subscription of 5/- to—

Miss WILLOUGHBY,

THE COTTAGE,

WILFORD.
